

Blackpalfrey Motor Club of Kent

will be running their

Sunday Scenic Tour

On

Sunday 15th November 2026

Following on from the feedback we have received from several members, we will be running an informal Scenic Tour for Club members.

It will run alongside the November Regularity Run, with start, coffee halt and finish at the same venues, but will be on a different route. It will start 30 minutes before the first Reg Run car leaves.

The event is non-competitive with no element of timing and is an opportunity for you to partake in a club activity with a social element, including stopping at the finish for lunch. You will be able to buy your own breakfast at the start, and refreshments at the coffee halt.

Although the day has been designed for two people in each car, additional persons may be carried without charge. You will be given an easy-to-follow road book to take you along our carefully designed route through pretty villages and delightful roads.

Entries are available via MTC1.
